

I am writing to let you know that it would be a terrible, monumental loss if K-LOVE was knocked off the air by an LPFM station. My family is inspired and uplifted daily by listening to K-LOVE. In addition to keeping us focused on God, K-LOVE encourages us to be better neighbors, employees, friends, and citizens. The music is joyful and inspiring. The dialog and information helps to refocus my attitude towards myself and others. There are very few channels on the radio that can make that claim. I can honestly say that when I listen to K-LOVE on my way to work, I WANT to be a better person that day. I have heard of many lives being saved by listening to K-LOVE that resulted in changing minds against suicide. I feel very strongly that if K-LOVE were replaced by an LPFM station, our community would suffer. This station is family-friendly and supports wholesome values essential to our local community. K-LOVE has proven that they have a positive and encouraging impact on people. I hope you will take my comment into consideration and not let K-LOVE be forced off the air by an LPFM station. Thank you.
